

Milestone Pro by ReCharge, Product Preview Video

Scene	Audio
	The Milestone Pro is the first ever watch that not only tracks your progress, it <i>rewards</i> you for it.
00:06.48-00:15.31	As you reach your goals, you're automatically sent milestone gifts like new wristbands and healthy products to celebrate your progress and fuel your mission.
00:15.31-00:22.69	Connecting to Apple Pay in less than five minutes, it helps you earn reward points when using eligible products.
00:22.69-00:30.72	It's 3-D structure sensor keeps track of sleep cycles, blood pressure, heart rate, distance and more, so you don't have to.
00:30.72-00:39.57	Built with aerospace grade aluminum with a fitted waterproof case, we don't compromise comfort and accessibility for durability.
00:39.57-00:48.23	And, with its real-time GPS tracker, you'll always feel safe on the run, able to enjoy your favorite fight song with a built-in Bluetooth.
00:48.23-00:55.28	The Milestone Pro by Recharge, giving you a black belt in healthy living, so you can kick ass doing what you love.
